**Subject:** Ames Warehouse Fire Public Health Messaging

Rebecca

I apologize for not sharing this Press Release. Although I was aware of it last night, I did not receive a copy of it until this morning. This is the only public health messaging that has been issued that I am aware of.

I have provided your contact information to Carrie Brainard, Public Information Specialist for the Mid-Ohio Valley Health Department who is going to be posting the public health messages to ensure that you are included

Debbie Lindsey
